Application No. 10/534,731 Paper Dated: June 27, 2008

In Reply to USPTO Correspondence of June 5, 2008

Attorney Docket No. 5486-051342

## REMARKS

Claims 9-18 are pending in this application and have been rejected under 35 U.S.C. § 102 as anticipated by JP 2002-346770 to Makoto et al. ("Makoto"), or under 35 U.S.C. § 103 as unpatentable over Makoto in view of several other references. The primary reference relied upon in all of the rejections is Makoto, which is not prior art because the priority date of this application pre-dates Makoto.

Attached with this Amendment is a certified copy of a translation of JP 2002-329847. Applicants request that this application, which claims priority to JP 2002-329847. be given the benefit of the filing date for JP 2002-329847, which was filed on November 13, 2002. Accordingly, Makoto, which was published on December 4, 2002, is not prior art because the priority date of this application pre-dates Makoto.

For this reason, reconsideration and withdrawal of the asserted rejections, and allowance of claims 9-18 are respectfully requested. Should the Examiner have any questions, the Examiner is encouraged to contact the Applicants' undersigned representative at (412) 471-8815.

Respectfully submitted,
